

January 2019

UPDATE

PBDG Meetings

Next PBDG Meeting

Wednesday, Jan. 16, 2019

4:30– 6:30pm

Hoffman Construction Company

805 SW Broadway, Suite 2100

**HOFFMAN
CONSTRUCTION
COMPANY**

*Please plan
to attend!*

**HEAR ABOUT HOFFMAN AND SKANSKA'S
PORT OF PORTLAND TERMINAL CORE PROJECT**

*Partners, MBEs, GCs,
please notify us at
info@PBDGweb.com with any
subcontracting
notifications, or if
you need time on the
agenda.*

Thank You!

THANK YOU to all our partners,
members, and friends for attending
and supporting our

Holiday Event

Thanks to you, we were
able to begin an Access
to Capital fund for our
members. This event was
a great way to end 2018
and we appreciate you
for being a part of it.

Appreciation for Elizabeth Juhala and the
Andersen Construction Team

Prosper Portland Opportunities

Inspiring Diversity Grant

Launch a new diversity and equity program at your small business with help from Prosper Portland!

The Inspiring Diversity Grant is a new pilot program for small, traded-sector employers located in the City of Portland. We are offering grant funding of up to \$10,000 per company to inspire creative equity-related best practices by employers around workforce, marketing and communications. Outcomes will create new community partnerships with populations that have been traditionally under-represented. Your participation will also contribute to building best practices for other employers.

Company projects can be focused either internally or externally. Examples include:

- Organizational trainings or education
- Marketing and outreach to underserved communities
- Development of a diversity hiring plan
- Increasing career pathways for existing employees from diverse backgrounds
- New partnerships with community non-profits
- Development or expansion of diversity supplier programs
- Development of a diversity and equity market assessment
- Other activities designed to make the business more competitive from a diversity and inclusion perspective.

Preference will be given to companies that can match the requested funds and that are within one of the city's identified clusters (Athletic & Outdoor/Consumer Product, Green Cities Product & Services, Technology & Media, Manufacturing).

Projects that demonstrate innovation and new approaches, community engagement or impact, replicability to other companies, and leadership/executive commitment will receive priority.

APPLY NOW

Applications due
Thursday, Jan. 31,
2019

CCB# 63053

**ROCKWOOD BUILDING 'A'** 18613 SE Stark St Portland, OR 97233

Bids Due: 1/15/19 at 5PM

Project Description:

Rockwood Building 'A' is a 4-story commercial building. The ground floor consists of a commercial lobby. Floors 2-4 consist of future commercial/retail use.

Project Requirements:

The project is subject to BOLI Commercial Prevailing Wages based on the July 2018 wage determination AND the October 2018 amendment. The BOLI wage determination is included in the files section of the below DropBox link.

Bidder Instructions:

Substitution Requests & Pre-Bid RFI's are due no later than 5:00 P.M. on Monday January 7, 2018. All requests must be submitted in writing. Do not contact the project Owner.

Documents:

Bid documents are available to review and download from Dropbox at: <https://www.dropbox.com/sh/ccmqm4o7d17jw05/AABY1LvMS7MGtCXXRdLRhblKa?dl=0>

HALSEY 106 10476 Northeast Halsey Street, Portland, OR 97220

Bids Due: 1/8/19 at 5PM

Project Description:

Halsey 106 is a new 6-story mixed-use development with (75) dwelling units, 10,000 SQFT retail and 10,000 SQFT office space. The project includes full site development and Right-Of-Way improvements. The structure includes a concrete podium at level two, 5-stories of traditional wood-framing at the residential wing and heavy timber construction over the podium on the office wing. Project Requirements:

- 1) Project is subject to BOLI Commerical Prevailing Wages AND Davis-Bacon Commercial Prevailing Wages. Contractors will be required to pay the higher wage rate for any given trade classification between BOLI and Davis-Bacon. Pay rate must be equal to the stated hourly rate plus fringe for any trade classification.
- 2) Example: Laborer (BOLI Group 1) \$27.72 wage + \$13.82 fringe = \$41.54 Base pay rate per BOLI. Laborer (Davis-Bacon Group 1) \$29.70 wage + \$13.82 Fringe = \$43.52 Base rate per Davis-Bacon. In this example a contractor employing laborers would be required to pay a base package equal to the Davis-Bacon rate of \$43.52 per hour.
- 3) The applicable BOLI wage determination is dated January 1, 2017 with the April 1, 2017 Amendment. The Applicable Davis-Bacon wage determination is general decision #OR180029 dated November 23, 2018. Both wage determinations are included in the below DropBox link.
- 4) As a publicly funded project, ALL CONTRACTORS must sign a Project Labor Agreement ("PLA") requiring the use of union labor for just this single project.
- 5) The PLA is project specific and does not impact any other jobs.
- 6) The project is subject to the Portland Housing Bureau's policies for Workforce Training and Section 3 Hiring Practices. Please reference PHB's documentation in the below DropBox link.

Documents: Bid documents are available to review and download from Dropbox at: <https://www.dropbox.com/sh/biqegb3mdcq1f1y/AAAwbtLzsVrsnnl4tRR1HUvra?dl=0>

**PORTLAND INTERNATIONAL AIRPORT
DEICING VAULT REHABILITATION PUMP STATIONS A, C, E, F, AND J****Bids due:** Jan. 24, 2019 @ 2:00 pm **SOLICITATION NO. 2019-8021**

Sealed bids for the Portland International Airport Deicing Vault Rehabilitation Pump Stations A, C, E, F, and J project will be received at the office of the Manager, Contracts and Procurement, of The Port of Portland, 7200 NE Airport Way, 8th Floor, Portland, OR 97218 (mailing address: PO Box 3529, Portland, OR 97208) until, but not after, 2 pm on January 24, 2019, and thereafter publicly opened and read.

The work includes but is not limited to:

Rehabilitation of deicing Pump Stations A, C, E, F, and J. The work includes dewatering and cleaning of wet wells and valve vaults; cleaning and recoating of existing pipe, brackets, and guides; removal and reinstallation of existing pumps to facilitate pump refurbishment by others; performing structural repairs including crack sealing and spall repair; installation of vault safety netting system; construction of new thrust walls and thrust blocks; providing new sample and sump pumps; refurbishment of existing plug and check valves; providing a new propane generator; and miscellaneous electrical work including replacement of limit switches, providing power conductors, and replacing existing starters with variable frequency drives.

Prequalification is not required for this work.

The contractor or a subcontractor need not be licensed for asbestos work under ORS 468A.720.

A pre-bid meeting will be held at 1:30 p.m. on January 9, 2019, in the Anchor Room on the first floor of the Port of Portland, 7200 N.E. Airport Way, Portland, OR, to discuss all phases of the work. From Airport Way, follow the signs to park in the long-term parking garage. Use the garage elevators at the east end of the garage to enter the Headquarters Building at the first floor level. Parking validation is not available. A site tour will immediately follow the meeting.

Contractors, subcontractors, consultants, and suppliers are strongly encouraged to register through the Port's online bidding system, which can be accessed at <https://www.planetbids.com/portal/portal.cfm?CompanyID=15598>. All firms can view current business opportunities. Registered firms may receive electronic notification of Port solicitations, and have access to view, download, or request copies of solicitations, addenda, and solicitation-holders lists.

Questions must be submitted electronically using the "Q&A" feature in the Port's online bidding system.

The project manual and drawings may be examined at Port offices (address above); however hard copies of drawings and specifications are not available directly from the Port. Registered firms may download the project manual and drawings or order them for the cost of reproduction through the Port's online bidding system.

The Port may reject bids that do not comply with applicable public contracting procedures and requirements. The Port may reject for good cause any or all bids if the Port finds that doing so is in the public interest. Bidder compliance for this project includes the following:

A. Bids must be on the Port's bid form and must be accompanied by bid security made payable to The Port of Portland in an amount equal to at least 10 percent of the total amount bid.

B. In accordance with ORS 279C.370, bidders must submit the enclosed First-Tier Subcontractor Disclosure Form within two working hours after bid opening.

C. The Port will not receive or consider a bid unless the bid contains a statement by the bidder that the bidder will comply with the provisions of ORS 279C.800 to 279C.870 (regarding payment of prevailing wage rates on public works projects over \$50,000). Current wage rates determined by the Oregon Bureau of Labor and Industries (BOLI) may be obtained from BOLI's web site at www.boli.state.or.us.

D. Bidders are hereby alerted that public works contractors generally must file a public works bond with the Construction Contractors Board, as provided in ORS 279C.836.

E. No bid will be considered unless the bidder is registered with the State of Oregon Construction Contractors Board to the extent required by ORS Chapter 701, prior to submitting a bid.

F. Bids must identify whether the bidder is a resident bidder, as defined in ORS 279A.120.

Apprentice Opportunities on Port Projects: The Port requires contractors to provide on-the-job training opportunities for approved and registered apprentices on construction projects over \$500,000. The Port's overall target for registered apprentice participation is 15 percent of total labor hours. The Port supports efforts to build a diverse and skilled workforce for the construction industry and to increase the representation of diverse apprentices on Port projects.

Small Business Enterprise Program: The Port is committed to increasing small business enterprise participation in Port contracts. The Port's small business participation goal for this contract is 21 percent of the total amount bid (excluding additive alternates, if any). This contract will be awarded to the responsible bidder with the lowest responsive bid who either demonstrates its commitment to meet the goal by properly submitting the Small Business Goal Compliance Report and associated Confirmation of Participation forms or who, upon the Port's request, submits adequate evidence that it made good faith efforts to meet the participation goal. See the Supplementary Instructions to Bidders for more information related to small business participation.

PORTLAND INTERNATIONAL AIRPORT TAXIWAY K REHABILITATION AIP NO. 3-41-0048-080**Bids due:** Jan. 22, 2019 @ 2:00 pm **SOLICITATION NO. 2018-7876**

Sealed bids for the Portland International Airport Taxiway K Rehabilitation project will be received at the office of the Manager, Contracts and Procurement, of The Port of Portland, 7200 N.E. Airport Way, 8th floor, Portland, Oregon 97218 (mailing address: Post Office Box 3529, Portland, Oregon 97208) until, but not after, 2 p.m. on January 22, 2019, and thereafter publicly opened and read.

The work includes but is not limited to:

Rehabilitation of Taxiway K from the intersection of Taxiway T to the west and Taxiway W to the east. This rehabilitation includes an asphalt mill and inlay at certain locations and full-depth reconstruction (both asphalt and portland cement concrete) in other locations. The work also includes providing a storm water conveyance system, electrical lighting and signage, infield grading, and pavement marking.

Also included is an additive alternate for work that is not funded by the FAA's Airport Improvement Program (AIP). The additive alternate work may be awarded solely at the option of the Port.

Prequalification is not required for this work.

The Contractor or a subcontractor need not be licensed for asbestos work under ORS 468A.720.

A pre-bid meeting will be held at 10 a.m. on January 8, 2019, in the Anchor Room on the first floor of the Port of Portland Headquarters Building, 7200 N.E. Airport Way, Portland, Oregon, to discuss all phases of the work. From Airport Way, follow the signs to park in the long-term parking garage. Use the garage elevators at the east end of the garage to enter the Headquarters Building at the first floor level. Parking validation is not available. A site tour will immediately follow the meeting.

Contractors, subcontractors, consultants, and suppliers are strongly encouraged to register through the Port's online bidding system, which can be accessed at <https://www.planetbids.com/portal/portal.cfm?CompanyID=15598>. All firms can view current business opportunities. Registered firms may receive electronic notification of Port solicitations, and have access to view, download, or request copies of solicitations, addenda, and solicitation-holders lists.

Questions must be submitted electronically using the "Q&A" feature in the Port's online bidding system.

The project manual and drawings may be examined at Port offices (address above); however hard copies of drawings and specifications are not available directly from the Port. Registered firms may download the project manual and drawings or order them for the cost of reproduction through the Port's online bidding system.

The Port may reject bids that do not comply with applicable public contracting procedures and requirements. The Port may reject for good cause any or all bids if the Port finds that doing so is in the public interest. Bidder compliance for this project includes the following:

A. Bids must be on the Port's bid form and must be accompanied by bid security made payable to The Port of Portland in an amount equal to at least 10 percent of the total amount bid.

B. In accordance with ORS 279C.370, bidders must submit the enclosed First-Tier Subcontractor Disclosure Form within two working hours after bid opening.

C. The labor and civil rights requirements in the Bid, Bid Supplements, and Supplementary Conditions apply to this work. The proposed contract is under the subject of Executive Order 11246 on Nondiscrimination Under Federal Contracts, September 24, 1965, and as amended; and 49 CFR Part 26, on Participation By Disadvantaged Business Enterprises in United States Department of Transportation Programs, March 4, 1999, as revised.

D. Title VI Solicitation Notice: The Port, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the regulations thereunder, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

E. Oregon law requires that the higher of either the state prevailing wage rates or federal Davis-Bacon rates be paid to workers on projects in Oregon subject to both the state prevailing wage rate law and federal Davis-Bacon Act.

F. The Port will not receive or consider a bid unless the bid contains a statement by the bidder that the bidder will comply with the provisions of ORS 279C.800 to 279C.870 (regarding payment of prevailing wage rates on public works projects over \$50,000).

G. No bid will be considered unless the bidder is registered with the State of Oregon Construction Contractors Board to the extent required by ORS Chapter 701, prior to submitting a bid.

H. Bidders are hereby alerted that public works contractors generally must file a public works bond with the Construction Contractors Board, as provided in ORS 279C.836.

Apprentice Opportunities on Port Projects: The Port requires contractors to provide on-the-job training opportunities for approved and registered apprentices on construction projects over \$500,000. The Port's overall target for registered apprentice participation is 15 percent of total labor hours. The Port supports efforts to build a diverse and skilled workforce for the construction industry and to increase the representation of diverse apprentices on Port projects.

DBE Participation Contract Goal - Base Bid: The Port is committed to increasing Disadvantaged Business Enterprise (DBE) participation in FAA-funded Port contracts. The Port's DBE participation goal for the Base Bid work under this Contract is 12 percent of the total amount of the Base Bid (does not include Additive Alternate A; see below). This Contract will be awarded to the responsible bidder with the lowest responsive bid on the Base Bid work who either demonstrates its commitment to meet the Base Bid goal by properly submitting a DBE Goal Compliance Report and associated Confirmation of Participation forms for such work or who, upon the Port's request, submits adequate evidence that it made good faith efforts as provided in 49 CFR 26.53 to meet the Base Bid goal. See the Supplementary Instructions to Bidders and the Supplementary Conditions for Federally Assisted Contracts for further information on bidding and contracting requirements for DBE participation.

As described in more detail in the Supplementary Instructions to Bidders, as a condition of bid responsiveness the bidder will be required to submit the following information via DBE Goal Compliance report forms and the associated Confirmation of Participation forms: (1) the names and addresses of DBE firms that will participate in the contract; (2) a description of the work that each participating DBE firm will perform (to count toward meeting a goal, the participating DBE firm must be certified in a NAICS code applicable to the type of work described); (3) the dollar amount of the participation of each DBE firm; (4) a written statement from the bidder attesting to their commitment to use the identified DBE firms; (5) a written statement from each DBE firm confirming its participation in the type and amount of work described for that firm by the bidder; and (6) if the bidder cannot meet the DBE participation contract goal, evidence of good faith efforts as provided in 49 CFR 26.53 to meet the goal.

DBE Participation Alternate Work Goal - Additive Alternate A: A separate DBE participation goal has been established for the Additive Alternate A work under this Contract. The Port's DBE Participation Goal for such work is 12 percent of the total amount of the Additive Alternate A work. The Additive Alternate A work may be awarded to the responsible bidder with the lowest responsive bid on the Base Bid work who either demonstrates its commitment to meet the alternate work goal by properly submitting a DBE Goal Compliance Report and the associated Confirmation of Participation forms for such work or who, upon the Port's request, submits adequate evidence that it made good faith efforts as provided in 49 CFR 26.53 to meet the alternate work goal. See the Supplementary Instructions to Bidders for further information. If the bidder does not meet the alternate work goal or fails to provide adequate evidence of good faith efforts to meet the alternate work goal as provided in 49 CFR 26.53, Additive Alternate A will not be awarded.

PORTLAND INTERNATIONAL AIRPORT TERMINAL RESTROOM MODERNIZATION 2018

Bids due: Jan. 15, 2019 @ 2:00 pm **SOLICITATION NO. 2018-7831**

Sealed bids for the Portland International Airport Terminal Restroom Modernization 2018 project will be received at the office of the Manager, Contracts and Procurement, of The Port of Portland, 7200 N.E. Airport Way, 8th Floor, Portland, Oregon 97218 (mailing address: Post Office Box 3529, Portland, Oregon 97208) until, but not after, 2 p.m. on January 15, 2019, and thereafter publicly opened and read.

The work includes but is not limited to:

Complete demolition and reconstruction of six sets of restrooms (one men's and one women's restroom per set) on the secure side of the terminal. Demolition includes removal of all items down to the substructure level. Reconstruction includes adjustment of plumbing to meet current ADA requirements, new gypsum board and tile, new terrazzo floors, new pan ceilings, and new lighting and plumbing fixtures throughout.

Prequalification is not required for this work.

The contractor or a subcontractor need not be licensed for asbestos work under ORS 468A.720.

A pre-bid meeting will be held at 9 a.m. on December 13, 2018, in the Multnomah Room at the Portland International Airport terminal building to discuss all phases of the work. Parking validation is not available. A site tour will immediately follow the meeting.

Contractors, subcontractors, consultants, and suppliers are strongly encouraged to register through the Port's online bidding system, which can be accessed at <https://www.planetbids.com/portal/portal.cfm?CompanyID=15598>. All firms can view current business opportunities. Registered firms may receive electronic notification of Port solicitations, and have access to view, download, or request copies of solicitations, addenda, and solicitation-holders lists.

Questions must be submitted electronically using the "Q&A" feature in the Port's online bidding system.

The project manual and drawings may be examined at Port offices (address above); however hard copies of drawings and specifications are not available directly from the Port. Registered firms may download the project manual and drawings or order them for the cost of reproduction through the Port's online bidding system.

The Port may reject bids that do not comply with applicable public contracting procedures and requirements. The Port may reject for good cause any or all bids if the Port finds that doing so is in the public interest. Bidder compliance for this project includes the following:

A. Bids must be on the Port's bid form and must be accompanied by bid security made payable to The Port of Portland in an amount equal to at least 10 percent of the total amount bid.

B. In accordance with ORS 279C.370, bidders must submit the enclosed First-Tier Subcontractor Disclosure Form within two working hours after bid opening.

C. The Port will not receive or consider a bid unless the bid contains a statement by the bidder that the bidder will comply with the provisions of ORS 279C.800 to 279C.870 (regarding payment of prevailing wage rates on public works projects over \$50,000). Current wage rates determined by the Oregon Bureau of Labor and Industries (BOLI) may be obtained from BOLI's web site at www.boli.state.or.us.

D. Bidders are hereby alerted that public works contractors generally must file a public works bond with the Construction Contractors Board, as provided in ORS 279C.836.

E. No bid will be considered unless the bidder is registered with the State of Oregon Construction Contractors Board to the extent required by ORS Chapter 701, prior to submitting a bid.

F. Bids must identify whether the bidder is a resident bidder, as defined in ORS 279A.120.

Apprentice Opportunities on Port Projects: The Port requires contractors to provide on-the-job training opportunities for approved and registered apprentices on construction projects over \$500,000. The Port's overall target for registered apprentice participation is 15 percent of total labor hours. The Port supports efforts to build a diverse and skilled workforce for the construction industry and to increase the representation of diverse apprentices on Port projects.

Small Business Enterprise Program: The Port is committed to increasing small business enterprise participation in Port contracts. The Port's small business participation goal for this contract is 15.5 percent of the total amount bid (excluding additive alternates, if any). This contract will be awarded to the responsible bidder with the lowest responsive bid who either demonstrates its commitment to meet the goal by properly submitting the Small Business Goal Compliance Report and associated Confirmation of Participation forms or who, upon the Port's request, submits adequate evidence that it made good faith efforts to meet the participation goal. See the Supplementary Instructions to Bidders for more information related to small business participation.

NOTICE OF PUBLIC IMPROVEMENT CONTRACT OPPORTUNITY TUALATIN RIVER (SW PETES MOUNTAIN ROAD) BRIDGE APPROACH REPAIR

Bid due: Jan. 30, 2019 @ 2:00 pm

INVITATION TO BID #2018-125

Clackamas County ("County") through its Board of County Commissioners is accepting sealed bids for the Tualatin River (SW Petes Mountain Road) Bridge Approach Repair Project until January 30, 2019, 2:00 PM, at:

DELIVER BIDS TO: Clackamas County Procurement Division, Attention George Marlton, Director, Clackamas County Public Services Building, 2051 Kaen Road, Oregon City, OR 97045; or via email to procurement@clackamas.us.

Bidding Documents can be downloaded from ORPIN at the following address: <http://orpin.oregon.gov/open.dll/welcome>, Document No. C01010-2018-125-18.

Prospective Bidders will need to sign in to download the information and that information will be accumulated for a Plan Holder's List. Prospective Bidders are responsible for obtaining any Addenda from Website listed above.

Engineers Estimate: \$110,000.00

Contact Information

Procurement Process and Technical Questions: Ryan Rice, 503-742-5446, rice@clackamas.us

Bids will be opened and publicly read aloud at the above Delivery address after the Bid Closing. Bid results will also be posted to the Clackamas County Procurement Website shortly after the opening.

To be eligible for award under this Invitation to Bid, bidders (prime contractors) must submit a prequalification application to the County at least two business days prior to the Bid Closing. County will reject bids from bidders who are not prequalified for the class of work indicated prior to the Bid Closing. Bidders must prequalified in Asphalt Concrete Paving & Oiling (ACP).

State Prevailing Wage

Prevailing Wage Rates requirements apply to this Project because the maximum compensation for all Owner-contracted Work is more than \$50,000. Contractor and all subcontractors shall comply with the provisions of ORS 279C.800 through 279C.870, relative to Prevailing Wage Rates. The Bureau of Labor and Industries (BOLI) wage rates and requirements set forth in the following BOLI booklet (and any listed amendments to that booklet), which are incorporated herein by reference, apply to the Work authorized under this Agreement:

PREVAILING WAGE RATES for Public Works Contracts in Oregon, July 1, 2018 and amended on October 1, 2018, which can be downloaded at the following web address: http://www.oregon.gov/boli/WHD/PWR/Pages/pwr_state.aspx The Work will take place in Clackamas County, Oregon.

Clackamas County encourages bids from Minority, Women, and Emerging Small Businesses.

BLUE LINE STATION REHABILITATION PROGRAM CONSTRUCTION MANAGER/GENERAL CONTRACTOR SERVICES

Proposals due: Jan. 14, 2019 @ 2:00 pm REQUEST FOR PROPOSALS RFP NO. RC190100ZC

TriMet is soliciting proposals from qualified general contractors to provide Construction Manager/General Contractor (CM/GC) Services, including both preconstruction services and construction services for the Blue Line Station Rehabilitation Program.

TriMet will receive sealed proposals from interested firms through its Procurement System (TriP\$). Proposals shall be uploaded and submitted to TriMet through TriP\$ no later than January 14, 2019 at 2:00 PM. Proposals will not be publicly opened. No proposal security will be required. A performance bond and 100% labor and material payment bond on TriMet bond forms will be required when construction services are added by contract modification.

Proposers must be registered in TriP\$ at: <https://trimet.org/procurement/index.htm>.

In the event solicitation addenda are issued, only registered Proposers will be notified of the availability of addenda for download. Acknowledgement of addenda will be required.

The construction services described in this solicitation will be a public work subject to State of Oregon prevailing wage rate laws (ORS 279C.800 to 279C.870). Proposers must certify compliance with prevailing wage requirements in their proposals.

All questions regarding this procurement must be directed to Zach Cooper, 1800 SW First Avenue, Suite 300, Portland, Oregon 97201 or by email at cooperz@trimet.org.

SELLWOOD BRIDGE LANDSCAPE MAINTENANCE

Proposals due: Jan. 16, 2019 @ 4:00 pm
Request for Proposal (RFP) Sourcing Event No.: RFP-48-2019

Sourcing Event Name: Sellwood Bridge Landscape Maintenance

Proposals due by 4:00 P.M. on: January 16, 2019

SUMMARY:

Multnomah County is looking to hire a landscaping service to maintain plants and vegetation growth around the Sellwood Bridge for a three year commitment and conform to ODOT specifications.

RFP AVAILABILITY:

To access the RFP, visit <https://multco.us/purchasing/bids-proposal-opportunities> then select the "Multco Marketplace Supplier Network" link for new business opportunities.

Proposals must be submitted electronically through the Multco Marketplace Supplier Network. Suppliers will need to register at this portal in order to submit a response. Proposals are accepted until, but not after, 4:00PM on the close date of the Sourcing Event.

Multnomah County reserves the right to reject any or all proposals if not in compliance with the Request for Proposals (RFP) procedures and requirements and to reject any or all proposals or to cancel the Sourcing Event if Multnomah County finds it is in the public interest to do so.

CONSTRUCTION MANAGER/GENERAL CONTRACTOR (CMGC) ANTOINETTE HATFIELD HALL ROOF REPLACEMENT AND PARAPET REPAIR

Proposals due: Jan. 15, 2019 @ 2:00 pm
REQUEST FOR PROPOSAL 3607

Metro is requesting proposals for Construction Manager/General Contractor (CMGC) for Antoinette Hatfield Hall Roof Replacement and Parapet Repair. Antoinette Hatfield Hall is part of P'5 Centers for the Performing Arts.

Metro is seeking proposals from qualified firms to perform services in a two-(2) step process; preconstruction phase services and construction phase services as described in solicitation documents

Proposals are due no later than January 15, 2019 at 2:00 pm at the Metro front desk at 600 NE Grand Avenue, Portland OR 97206.

Solicitation documents can be viewed and downloaded from the Oregon Procurement Information Network (ORPIN) at <http://orpin.oregon.gov/open.dll/>

Metro may accept or reject any or all submittals, in whole or in part, or waive irregularities not affecting substantial rights if such action is deemed in the public interest.

Metro extends equal opportunity to all persons and specifically encourages minority, women-owned and emerging small businesses to access and participate in this and all Metro projects, programs and services.

Metro and its contractors will not discriminate against any person(s), employee or applicant for employment based on race, color, national origin, sex, sexual orientation, age, religion, disability, political affiliation or marital status. Metro fully complies with Title VI of the Civil Rights Act of 1964 and related statutes and regulations in all programs and activities. For more information, or to obtain a Title VI Complaint Form, see www.oregonmetro.gov.
