in Metro's business offices at 600 NE Grand Avenue, Portland, OR 97232-2736, Attention: Julie Hoffman, Procurement Analyst, RFP 3731. Bids will be opened publicly at that time.

Metro is seeking a contractor to repair concrete joints at Metro Central Transfer Station with the least amount of disruptions to operations as possible. Solicitation documents can be viewed and downloaded from the Oregon Procurement Information Network (ORPIN) at <http://orpin.oregon.gov/open.dll/>

Metro may accept or reject any or all bids, in whole or in part, or waive irregularities not affecting substantial rights if such action is deemed in the public interest.

Metro extends equal opportunity to all persons and specifically encourages minority, women-owned and emerging small businesses to access and participate in this and all Metro projects, programs and services.

Metro and its contractors will not discriminate against any person(s), employee or applicant for employment based on race, color, national origin, sex, sexual orientation, age, religion, disability, political affiliation or marital status. Metro fully complies with Title VI of the Civil Rights Act of 1964 and related statutes and regulations in all programs and activities.
